Fun English Games

Krishna Latin

What is Fun English Games?

It's a free website where you can find games, activities, worksheets, videos, etc. you can use, especially with Young Leaners. You have available materials for Math, English, and Science.

Content

It's appropriate and accurate for Young Leaners, even for early High Schoolers. You can mostly boost writing and reading skills.

Usability

It's easy to follow since it has headlines and explanations for each category. It's colorful and minimalistic at the same time.

Interactivity

Students can have a playful, multimodal experience, since it has quizzes, videos, and games for them to use freely.

Pedagogical value

It can be used in a whole lesson or for a simple task due to its wide variety of resources.
